ADDITIONAL COMMENTS

Please use this space to provide any additional information which may assist in giving your application the fullest consideration possible:

I am applying for a position on the Board of Directors of the Oxnard Performing Arts Center Corporation. I understand that there are substantial meeting attendance and participation requirements, including at least 12 monthly meetings at which in person attendance is required, active and involved participation on a committee and attendance of committee meetings (which can range anywhere from quarterly to monthly meetings depending on the committee), an annual weekend retreat and attendance at and support of OPAC events, fundraisers and other board functions. I understand that the OPAC Board maintains a “give *and* get” donation policy for all board members, meaning each director gives a meaningful annual contribution and will seek additional commitments from within/outside their networks.

I hereby certify that all of the information contained in the application is true and correct to the best of my knowledge.
